COUNTIES

CITIES

ALL ENTITIES

This system currently contains **salary and compensation information** for public entities in California,

including **58 counties, more than 450 cities, more than 2,900 special districts, more than 100 higher education providers, K-12 schools, Superior Courts, First 5 Commissions, Fairs & Expositions**, and **most state employees** for a total of more than **2 million positions**.

Browse the Data

Just looking around? Feel free to dive into any of the following datasets we've gathered:

- State Employees
- Counties
- Cities
- Special Districts
- Fairs & Expos
- First 5
- K-12 Education
- Community College Districts
- California State University
- University of California
- Superior Courts
- All Judicial
- Elected Officials

Looking for missing data?

Not included in the database at this time are state positions that are not paid by the Controller, including: staff of legislators and staff of the Lieutenant Governor.

A list of entities that have yet to file salary and compensation reports—or that have filed incomplete or otherwise non-compliant reports—is also available.

or select a custom subset of data

For Reporting Entities

To have your information appear, you will need to submit your data to the Controller's Office.

- Learn about the reporting process
- See the publishing schedule

Comments? Suggestions?

This project is a work-in-progress, and we welcome all feedback. Please feel free to email any ideas you have as we expand and improve this site.

Stay Up-to-Date

Interested in knowing when we've added new datasets? Want to find out what new reports we've posted? Subscribe to press releases from the State Controller's Office and follow us on Twitter and Facebook.

New Features

The updated Government Compensation in California website has these new features:

- Explore the data with the enhanced Browse feature.
- Find and filter data with our new Search engine.
- Discover relationships in the data with the custom Report Builder.
- Compare wage information geographically using Maps.
- Download and export data.

The information presented is posted as submitted by the reporting entity. The State Controller's Office is not responsible for the accuracy of this information.
If you have any questions, please contact that entity. If provided, the entity's website is available for your convenience.

Brought to you by the
California State Controller's Office, Controller Betty T. Yee
